

SERENITY AND ADVENTURE

La Romita is a renovated 16th Century monastery in the hills of southern Umbria where we offer serenity and adventure to artists of all experience levels.

Our house is your house – you are free to make the space your own. The cloister, with its trimmed hedges and fountain, the Chapel/Studio with its frescos, the gazebo overlooking the valley, the olive orchard – all of this is yours for your stay.

Once you arrive in Rome, you're home. Everything has been arranged, and all you'll really have to worry about is setting your alarm in the morning. We wish you didn't even have to do that, but there'll be sights to see before lunch – and the light's better than anyway.

The only major expense not included in your registration fee is airfare. The rest – your instruction, the day-trips, pickup and dropoff, your room, and the delicious food and wine - is all covered.

Grab your brushes and tell your family you're off on an adventure - a once-in-a-lifetime experience is waiting!
